SEEDS

To the Trade:

It is with great pleasure that I hand you this price list of bulk seed, and I trust you will look these prices over and that they may lead to some business.

Please take into consideration that I do not belong to any seed trust or organization of any kind for the holding up of seed prices. If you are in the market for any seed not listed on this list, just write me what it is and it will be a pleasure to quote you. I want to thank you for any order you may send me.

Yours truly,

WILLIAM D. BURT.

TERMS AND CONDITIONS OF SALE

All seed is sold on "OUTRIGHT SALE" Plan, and no seed is to be returned under any consideration. My prices are so low that I cannot keep the quality of seed where it is and allow seed to be returned. Thus my "Outright Sale" Plan.

Terms are 60 days. Two per cent. off 10 days.

Bills not paid when due, subject to sight draft.

If you have not ordered of me before, send references with your order, which will save delay.

 Bags will be charged at cost. No charge for cartage or packing.

William D. Burt gives no warranty, expressed or implied, as to description, quality, productiveness or any other matter, of any seeds, bulbs or plants he sends out, and he will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned.

This price list cancels all previous lists.

PEPPER

One oz. seed to 1500 plants

Peppers are more tender than most vegetables. The seed should be sown in a hot-bed, cold frame or if no better convenience, a box in the window, and transplanted. They can be sown in the open ground when the weather becomes warm and settled. Warm, mellow soil, well fertilized, should be used,

BEST LAWN SEED

I do not sell a cheap lawn seed, such as the quart packet for 10c, for no firm on earth can put up a quart of lawn seed to sell for 10 cents, and you should not deceive your customers with that grade of seed, as it is about all chaff and dirt.

This seed will stand the test of all seed laws. It is mixed from pure seed only and is sure to please you.

SPECIALS

A study has been made of several varieties of decorative plants which are not commonly grown but easy of culture and suited to ordinary climatic conditions. The varieties may be used in gardens or beds where specimen plants are desired. We claim these specials to be among the rarest, most beautiful and unusual sorts offered in packets today. Every year adds new calls to the large list of stores using our specials. Plainly printed culture directions printed on back of each packet. All packed one dozen on a display card, 60c dozen.

THE BABY ROSE

A perpetual, everblooming rose which will bloom in 60 days from sowing the seed. They are hardy and live from year to year, increasing in beauty, and make an excellent pot plant.

GREAT FOUNTAIN PLANT

A beautiful annual, peculiar in form and color. Finest of all decorative plants, bearing long, wavy racemes of curious shapes. Seeds grow rapidly.

JAPANESE KUDZU VINE

The most rapid growing vine, perfectly hardy everywhere. For covering porches, fences, stumps, arbors, it has no equal.

RICINUS OR CASTOR OIL BEAN

A stately and highly ornamental tree-like annual plant, 6 to 14 feet high. Very effective as a foliage plant. Highly desirable for centers of beds.

NEW ORNAMENTAL COTTON

Makes a very beautiful decorative plant when growing, and for cutting in the fall for house as an everlasting. Be sure and try this.

THE GREAT BANANA PLANT

The rapidity of the growth of this plant is astonishing. It is a gorgeous and stately plant. It is certainly a great curiosity. Do not miss it.

JAP CHRYSANTHEMUM

A wonderful collection of Chrysanthemums from Japan. Among them the most curious shapes ever shown in any flower. They are wonderful.

IPOMOEA OR MOONFLOWER

Beautiful outdoor climber of luxuriant growth. Buds open in afternoon and remain well open into the following day. Vines often have from 30 to 40 great flowers open at one time.

KOCHIA OR SUMMER CYPRESS

This beautiful annual hedge plant is rapidly coming into prominence, resembles a closely clipped evergreen, and in fall the whole bush becomes carmine or blood red. Try it.

JAP MORNING GLORY

A remarkable range of markings, white, pink, lilac, rose, bronze, garnet, crimson, etc. Leaves are richly marbled and variegated. A wonderful flower.

THE WONDERFUL SHOOF-FLY PLANT

A very interesting curiosity of the Physalis family. It is claimed that flies will not stay in a room where it is grown. It is hard to understand this, as the flowers do not seem to have any odor. It can be easily grown from seed.

World's Wonder Collection of Wild and Rare Flowers

A wonderful collection of wild flower seeds, collected from every country on earth. A delight for all who try them. Have these on your counters.

CHINESE CELERY CABBAGE

Really a Cabbage, but grows in the form of Celery, and when matured looks like Co Lettuce. Very easy to grow. Bound to become popular everywhere. Mild flavor, fine for salads or cooking. Grows as late as cabbage. Try it.

SAKURAJIMA RADISH

The Mastodon of the Radish family, but if started late in the season, it is delicate in flavor, fine grained and very palatable. Can be cooked and served with cream sauce.

UMBRELLA PLANT

Can easily be grown in a bowl of water. Will flourish in rooms that have only partial light. An excellent plant for the house.

GOURDS

Rapid growing plants, bearing very ornamental fruits. All are very interesting and some very handsome. Fine for covering arbors, fences, etc., where quick results are desired.

CLIMBERS

A wonderful collection of half-hardy climbers. The finest Sweet Peas, Wild Cucumber, Cypress Vine, Canary Bird Flower, etc. This is a collection which will please your trade.

GAILLARDIA

These are magnificent hardy perennials, producing a constant succession of flowers all summer, and when grown in groups they are gorgeously effective. Hardy everywhere.

DELPHINIUM

A splendid race of hardy garden plants. The plants are tall growers and give a wide range of beautiful flowers. Just the thing to add beauty to the hardy garden border. Be sure and try them.

These specials are all packed in large envelopes, size 3 3/4 x 5. Beautifully lithographed in 8 colors. They make a very attractive display. Each variety is packed on a fine display card holding one dozen packets. They retail at 10c. Price per dozen 60c.

THE "LITTLE GEM" FLOWER COLLECTION

When variety and coloring are considered, the "Little Gem" Collection is a leader. The large lithographed package contains 7 small packets of flowers as illustrated. These varieties are all profuse bloomers, suited to almost any ordinary soil conditions. Many flower lovers who have limited space prefer an offer of this kind. The display box adds to the beauty of the collection. Culture directions and germination test printed on each packet.

PRICE 80c PER DOZ.

THE "OLD HOME" FLOWER COLLECTION

"Old Home" Collection is parallel to "Little Gem" Collection, only containing five varieties where "Little Gem" has seven. Lithographed in bright, showy colors same as other collections.

This is an extra good seller.

PRICE 80c PER DOZ.

DO NOT FAIL TO TRY MY 10c COLLECTIONS

"THE CITY GARDEN" VEGETABLE COLLECTION

"City Garden" Collection is similar to the above described number, only containing ten packets of those varieties most commonly grown in the average small garden. We receive through the mails many inquiries from individuals who bought packets of these valuable collections at the 5 and 10 cent stores in different sections, asking that we supply them as they were unable to buy more at the store.

PRICE 80c PER DOZ.

"SUNRISE" COLLECTION OF VEGETABLE SEEDS

Burt's "Sunrise" Collection is absolutely the greatest packet seed value ever offered. The demand for this collection is so great we urge our customers to place their orders in advance of their needs. "Sunrise" Collection has twelve packets of standard vegetables, supplying the variety for a small sized garden at the small cost of 10 cents retail value. Large, brilliantly lithographed packet, with culture directions and germination test printed on packet.
